ZAVIER MCLEAN

Introduction historique et critique aux livres du Nouveau Testament Bloomsbury Publishing
Une lecture commentée de l'Évangile selon saint Luc, proposée sous forme de lectio divina. L'auteur, appreni théologien, nous présente ici une rencontre personnelle avec l'Écriture. Plus contemplative et méditative que théologique, cette lecture au jour le jour de la Parole est un chemin spirituel qui peut aider à entrer dans le texte. Du même auteur : "A genoux devant l'homme", une lecture de l'Évangile de Jean

Le Saint Évangile de Jésus-Christ selon Saint Marc et Saint Luc Wipf and Stock Publishers
This book reassesses the case for single authorship via an innovative statistical analysis that reveals significant stylistic differences between Luke and Acts.

Carmina e poetis christianis excerpta ad usum scholarum ed., et permultas interpretationes A&C Black

Luke alone among the Gospel authors uses kyrios (Lord) programmatically and expansively to narrate the identity of Jesus. This study is the first comprehensive analysis of Luke's unique and complex use of kyrios in the whole of his Gospel. Detailed attention to Luke's narrative artistry and his use of Mark demonstrates that Luke has a nuanced and sophisticated christology centered on Jesus' identity as Lord.

La vie de S. Thomas d'Aquin ... Cambridge University Press

The overall aim of this investigation of Mark 11.12-14, 20ff. is to ascertain the attitude to the Temple taken by the author of the earliest Gospel and his community. More specifically, it is a meticulous study of the most curious of all the Synoptic miracle-stories, in which the place of the story within the Markan redaction and subsequently in the Synoptic Gospels is explored. The study also entails a detailed exploration of the story's origin, background and Sitz in Leben prior to Mark, involving thorough consideration of the Old Testament and Jewish background of its motifs.

Histoire generale des auteurs sacrés et ecclesiastiques, qui contient leur vie, le catalogue, la critique, le jugement, la chronologie, l'analyse & le dénombrement des différentes éditions de leurs ouvrages; ... Par le R.P. dom Remy Ceillier, Benedectin ... Tome premier (-vingt-troisième) Walter de Gruyter

How did the earliest Christians come to see Jesus as a divine and preexistent being alongside God? Aquila Lee proposes that the root of preexistent Son Christology is to be found in early Christian exegesis of the two messianic psalms (the catalyst) in the light of Jesus's self-consciousness of

divine sonship and divine mission (the foundation).

Collection intégrale et universelle des orateurs sacrés du premier et du second ordre Fortress Press

As a narrative critical study of the Lukan Infancy Narrative, this is a work which puts new questions to an old and (some would claim) over interpreted text. The work traces through the Infancy narrative two trajectories - one theological, the other epistemological. At the point of theology, Luke focuses upon God and the strange shape of the divine visitation; at the point of epistemology, Luke focuses upon the human being and what is needed to recognise the divine visitation, given its strangeness. The study then shows how the two trajectories converge in the Infancy Narrative's last episode, the Finding of the Child in the Temple. Though often accorded scant attention, this is an episode which, Coleridge argues, is the true climax of the Infancy Narrative, since it is only then that Jesus is born in the narrative as the protagonist he will prove consistently to be and only then that the Lukan Narrative itself is born. It is this rather than any physical birth which most absorbs Luke in the first two chapters of the Gospel. Though a study of the Infancy narrative, this is a work with far-reaching implications for the whole of Luke-Acts

The Assumed Authorial Unity of Luke and Acts

A candid, compelling portrait of the man who has proved so significant—and so controversial—in Western culture, by two of Europe's best known pioneers of the anthropological study of early Christianity. Destro and Pesce bring the fruit of years of scholarship to bear on a radical figure in Roman Galilee, his encounters with others, and the movement those encounters inspired.
