A Worlde of Wordes, the first-ever comprehensive Italian-English dictionary, was published in 1598 by John Florio. One of the most prominent linguists and educators in Elizabethan England, Florio was greatly responsible for the spreading of Italian letters and culture throughout educated English society. Especially important was Florio's dictionary, which □ thanks to its exuberant wealth of English definitions □ made it initially possible for English readers to access Italy's rich Renaissance literary and scientific culture. Award-winning author Hermann W. Haller has prepared the first critical edition of A Worlde of Wordes, which features 46,000 Italian entries □ among them dialect forms, erotic terminology, colloquial phrases, and proverbs of the Italian language. Haller reveals Florio as a brilliant English translator and creative writer,

as well as a grammarian and language teacher. His helpful critical commentary highlights Florio's love of words and his life-long dedication to promoting Italian language and culture abroad.

Deutsche Nationalbibliographie und Bibliographie der im Ausland erschienenen deutschsprachigen Veröffentlichungen Peeters Publishers

Includes subject section, name section, and 1968-1970, technical reports.

*Current Catalog* Walter de Gruyter GmbH & Co KG

Dieser Band enthält das umfassende Register zur Internationalen Bibliographie zur germanistischen Lexikographie und Wörterbuchforschung.

Kafka and Kabbalah Burns & Oates

In 885 AD, the Vikings laid siege to Paris, to which a young monk named Abbo, of the abbey of Saint-Germain-des-Pres, stood as witness. Later, he came to make a record of what he saw, heard and believed in a verse chronicle, the *Bella parisiacae urbis*. His often stirring account speaks of the relentless and ingenious

attacks of the Norsemen, the selfless heroism of the defending Frankish warriors, and the misery and terror of the besieged Parisians. But his canvas is far larger than this single occurrence, for he hints at greater things yet to come, such as the final disintegration of Carolingian rule, the eventual establishment of the Capetian line of monarchs, and the creation of a French Danelaw, namely, Normandy. Ultimately, however, Abbo is not concerned with an impartial narration of events, but rather with salvation through history - of the individual and of the nation of the Franks. The macaronic style of his chronicle very much

appealed to the sensibilities of the time, thus ensuring that Abbo's work would endure.

**Viking Attacks on Paris** University of Toronto Press

In one of Kafka's most famous stories, Josephine the Singer plays the role of the rebbe, or tzaddik: the person who takes on the role of theurgist (or intercessor) for the community.
