The Harp of God Oakland Co. Bible Students
Describes the psychological techniques cults use to indoctrinate their members and discusses deprogramming.

Combatting Cult Mind Control Usborne Books
M. James Penton offers a comprehensive overview of a remarkable religious movement, from the Witnesses' inauspicious creation by a Pennsylvania preacher in the 1870s to its position as a religious sect with millions of followers world-wide. This second edition features an afterword by the author and an expanded bibliography.

Kids Fun Activity Book Crossway Books
Although Engleitner and Adolf Hitler grew

up in the same province in Austria and shared the same cultural background and education system, the convictions and attitudes they developed were diametrically opposed. Whereas Hitler caused untold suffering to millions as a merciless mass murderer, Engleitner devoted his life to peace, refusing to buckle even in the face of death. Why would a man facing imprisonment and unspeakable suffering in a Nazi concentration camp, chose not to sign a document giving him his freedom? Instead he submitted to Nazi persecution, enduring imprisonment in Buchenwald, Niederhagen, and Ravensbruck concentration camps, rather than renouncing his faith as one of Jehovah's Witnesses.

Jehovah's Witnesses Springer
Truth in Translation is a critical study of Biblical translation, assessing the accuracy of nine English versions of the New Testament in wide use today. By looking at passages where theological investment is at a premium, the author demonstrates that many versions deviate from accurate translation under the pressure of theological bias.

In Search of Christian Freedom Page Publishing Inc
 Scripture-based denial of the doctrines of the Jehovah's Witnesses.
Shunned Univ. Press of Mississippi
 Finding a proper balance between freedom

and responsibility is a problem that has faced every serious Christian. For those raised in a highly structured religious environment, balancing loyalties to a religious organization, family, and personal conscience may raise difficult issues. Raymond Franz's first-hand account of the issues with which he struggled forms the theme of his first book, *Crisis of Conscience*. In *Search of Christian Freedom*, the sequel to *Crisis of Conscience*, provides even more comprehensive study. The issues and options discussed herein, although relating particularly to the structure of Jehovah's Witnesses, are not so very different from issues other Christians have faced and continue to face when they seek to reconcile considerations for conscience, loyalty, responsibility and freedom. This work will move readers — of any religion — to consider seriously how much they value Christian freedom and to ask how genuine their own freedom is.
Consumer Math: (10 volumes) Zondervan Publishing Company
 Jehovah's Witnesses have a unique vocabulary incomprehensible to outsiders. They also use familiar Christian terms to

mean something different from standard usage. This book is a dictionary of such "J.W.ese" language. Moreover, it explains how JWs engage in doubletalk when speaking with outsiders, and tells the reader how to break through that doubletalk to share the Gospel of Christ with those trapped inside the cult. Reed is the author of "Answering Jehovah's Witnesses Subject by Subject" and the popular book "Jehovah's Witnesses Answered Verse by Verse." This "Dictionary of J.W.ese" was originally published in 1997 under the title "Jehovah-Talk" by Baker Book House. This volume is the 2010 Lulu edition.
Encyclopedia of Bible Difficulties She Writes Press
 This encyclopedia is intended for everyone, from scholars and students to laypersons--for all who are troubled by apparent contradictions in the Bible. It argues for the unity and the integrity of the Bible and should convince the skeptic and reassure the person who may be confused by the seeming discrepancies in Scripture.
30 Years a Watchtower Slave Baker Books
 Stuttering is an affliction that affects every

ethnicity and every culture equally, some sixty million people worldwide. Five percent of children stutter. Typically, this debilitating condition emerges when a child is between the ages of two and six. Twenty percent of these children will continue to stutter as adults. Although it is so pervasive, there is great misunderstanding about stuttering. Socially isolating the people it strikes, the disorder prevents them from the kind of candid discussions that would help them gain an understanding of it. In turn, social isolation creates misconceptions. In *Understanding Stuttering* a writer, who is both a practicing physician and former researcher on stuttering, examines the medical roots of the problem and, hoping to bring alleviation, shares his findings. He defines stuttering as a medical condition that is neurologically based or inherited. In clear language he explains the basics of brain anatomy and function, tells of the latest scientific advances in diagnosis and treatment of stuttering, and explains the difference in acquired stuttering and Tourette syndrome. Using examples from his practice, he details effective treatments, including speech therapy and

medications. He discusses the most promising new research and tells how the findings of this research will improve treatments and provide a possible cure. *Understanding Stuttering* concludes with practical tips on how to converse with those who stutter and lists organizations that provide additional information and support.

Apocalypse Delayed CreateSpace
 A Jehovah's Witness' Painful but Liberating Realization that She Must Give Up Her Faith "An inherently compelling and candidly revealing memoir . . . an extraordinary, riveting and unreservedly recommended read from first page to last." —Midwest Book Review
 Linda Curtis was raised as a Jehovah's Witness and is an unquestioning true believer who has knocked on doors from the time she was nine years old. Like other Witnesses, she has been discouraged from pursuing a career, higher education, or even voting, and her friendships are limited to the Witness community. Then one day, at age thirty-three, she knocks on a door—and a coworker she deeply respects answers the door. To their mutual consternation she launches into her usual spiel, but this time,

for the first time ever, the message sounds hollow. In the months that follow, Curtis tries hard to overcome the doubts that spring from that doorstep encounter, knowing they could upend her "safe" existence. But ultimately, unable to reconcile her incredulity, she leaves her religion and divorces her Witness husband—a choice for which she is shunned by the entire community, including all members of her immediate family. Shunned follows Linda as she steps into a world she was taught to fear and discovers what is possible when we stay true to our hearts, even when it means disappointing those we love. ". . . a moving portrait of one woman's life as a Jehovah's Witness and her painful but liberating realization that she must give up her faith." —Publishers Weekly
 "Curtis's story reads as true to life . . . it will resonate across faith lines." —Foreword Reviews
 "A profound, at times fascinating, personal transformation told with meticulous detail." —Kirkus Reviews
 "...a riveting story, a page-turner, a magnificent contribution, and a book you will never forget." —Lynne Twist, global activist and author of *The Soul of Money*

“A wonderful book that is about so much more than the Jehovah’s Witnesses.” —Adair Lara, longtime columnist for the San Francisco Chronicle “...brilliant, respectful, insightful and most of all hopeful.” —Openly Bookish Readers of Educated and Leaving the Witness will resonate with Linda Curtis’ moving and courageous account of personal transformation. Order your copy today and begin reading this disturbing, heartbreaking, and ultimately inspiring memoir.

Let God Be True Freeminds

The study of Old Testament criticism requires the bridges of an important cultural gap because the home of the method and the place of its most creative use is still Germany. In this authoritative

work, British scholar John Rogerson discusses two specific questions: how did the critical method arise in Germany in the nineteenth century, and how was its reception into England affected by the theological and philosophical climate? This is the first book which attempts to trace in such detail the impact of German critical method upon scholarship in England. As such it is a valuable contribution to the history of Old Testament scholarship and to the history of ideas. Part I examines German scholarship from 1800-60, from the founder of modern criticism, W. M. L. de Wette, through to the submergence of this early radicalism by the so-called positive criticism, and the confessional orthodoxy led by Hengstenberg. Part II investigates the use of Old Testament

criticism in England with particular attention to contacts between Germany and England and to a comparison of the respective intellectual climates. Part III focuses again on German scholarship, particularly on the rebirth of de Wettian ideas, as expressed by Julius Wellhausen. It explains how the reception of Wellhausen in England involved a modification of his position in the light of neo-Hegelian philosophy.

The Finished Mystery IVP Academic
 "Using primary sources in connection with secondary works, the author, Dr. Floyd Greenleaf, narrates the beginnings of the Adventist presence in the powerful continent of South America, as well as its later development the beginning of the twenty-first century." --Back cover.
