Mais quand notre miroir magique nous a aspirés dans le conte de la Petite Sirène, nous n'avions pas d'autre choix que d'essayer de réécrire l'histoire. Disons que la version d'origine ne connaît PAS une fin heureuse!

As he meets and talks to people in Iran, Wild becomes immersed in Cyrus's story. With Sophia's permission, he goes to Geneva to hear the testimonies of the assassination trial at the Criminal Court. Inspired by the life of a real-life activist, Wild's account reveals more than the story of one man's life or a court case. She still yearns for her hot landlord, Cooper Cartwright, but her relationship with "rebound beau," vigorous vegan math professor Tad Tocco, is more than satisfactory. Best of all, nobody has died lately in "Death Dorm," the aptly nicknamed student residence that Heather assistant-directs. Of course every silver lining ultimately has some black cloud attached. And when the latest murdered corpse to clutter up her jurisdiction turns out to be her exceedingly unlovable boss, Heather finds herself on the shortlist of prime suspects—along with the rabble-rousing boyfriend of her high-strung student assistant and an indecently handsome young campus minister who's been accused of taking liberties with certain girls' choir members. With fame beckoning her back into show business (as the star of a new kids' show!) it's a really bad time to get wrapped up in another homicide. Do you want to be popular? Everyone wants to be popular—or at least, Stephanie Landry does. Steph's been the least popular girl in her class since a certain cherry Super Big Gulp catastrophe five years earlier. Does being popular matter? It matters very much—to Steph. That's why this year, she has a plan to get in with the It Crowd in no time flat. She's got a secret weapon: an old book called—what else?—How to Be Popular. What does it take to be popular? All Steph has to do is follow the instructions in *The Book*, and soon she'll be partying with the It Crowd (including school quarterback Mark Finley) instead of sitting on The Hill Saturday nights, stargazing with her nerdy best pal Becca, and even nerdy Jason (now kind of hot, but still), whose passion for astronomy Steph once shared. Who needs red dwarves when you're invited to the hottest parties in town? But don't forget the most important thing about popularity! It's easy to become popular. What isn't so easy? Staying that way.
