BECKER AXEL

When He Was Wicked Granta Books

Early in *Proud Beggars*, a brutal and motiveless murder is committed in a Cairo brothel. But the real mystery at the heart of Albert Cossery’s wry black comedy is not the cause of this death but the paradoxical richness to be found in even the most materially impoverished life. Chief among Cossery’s proud beggars is Gohar, a former professor turned whorehouse accountant, hashish aficionado, and street philosopher. Such is his native charm that he has accumulated a small coterie that includes Yeghen, a rhapsodic poet and drug dealer, and El Kordi, an ineffectual clerk and would-be revolutionary who dreams of rescuing a consumptive prostitute. The police investigator Nour El Dine, harboring a dark secret of his own, suspects all three of the murder but finds himself captivated by their warm good humor. How is it that they live amid degrading poverty, yet possess a joie de vivre that even the most assiduous forces of state cannot suppress? Do they, despite their rejection of social norms and all ambition, hold the secret of contentment? And so this short novel, considered one of Cossery’s masterpieces, is at once biting social commentary, police procedural, and a mischievous delight in its own right.

Miffy Goes to Stay Canongate Books

Named a *New York Times* Best Book to Give! “This house of correction is booby-trapped with twists, the floors paved with trapdoors, quicksand churning in the garden. Enter if you dare.” –A.J. Finn, #1 *New York Times* bestselling author of *The Woman in the Window* “Full of unexpected turns . . . Immensely satisfying.” – *The New York Times* Book Review In this heart-pounding standalone thriller from bestselling author Nicci French, a woman accused of murder attempts to solve her own case from the confines of prison—but as she unravels the truth, everything is called into question, including her own certainty that she is innocent. Tabitha is not a murderer. When a body is discovered in Okeham, England, Tabitha is shocked to find herself being placed in handcuffs. It must be a mistake. She’d only recently moved back to her childhood hometown, not even getting a chance to reacquaint herself with the neighbors. How could she possibly be a murder suspect? She knows she’s not. As Tabitha is shepherded through the system, her entire life is picked apart and scrutinized —her history of depression and medications, her decision to move back to a town she supposedly hated . . . and of course, her past relationship with the victim, her former teacher. But most unsettling, Tabitha’s own memories of that day are a complete blur. She thinks she’s not. From the isolation of the correctional facility, Tabitha dissects every piece of evidence, every testimony she can get her hands on, matching them against her own recollections. But as dark, long-buried memories from her childhood come to light, Tabatha begins to question if she knows what kind of person she is after all. The world is convinced she’s a killer. Tabatha needs to prove them all wrong. But what if she’s only lying to herself?

Everyday Magic New York Review of Books

Frog and Duck are out walking. Frog has lots of ideas about what they should do, but Duck has the best suggestion of them all: Let’s be friends forever!

Time Now to Dream Hachette Children’s

A Netflix Original Series! *The New York Times*, *USA Today*, and *Wall Street Journal* bestselling *Last Kids on Earth* series—now with over 7 million copies in print—presents June Del Toro in her very own adventure! Told from June’s point of view—and set between the shattering events of *The Midnight Blade* and *The Skeleton Road*—June’s *Wild Flight* brings new characters, high-stakes action, and stunning revelations in an adventure that could only be June’s. An essential *Last Kids* story that readers won’t want to miss! *The Midnight Blade* ended with a shocking twist: a long-

missing villain has returned and now has an army of the dead at his command! Jack, June, Quint, and Dirk have battled the worst kind of monsters, zombies, and cosmic servants, but an endless horde of animated skeletons is next-level. While the kids plan their next move, an unexpected threat emerges and June gets separated from her friends, dragged miles away from Wakefield to a town overgrown with monstrous vines and never-before-seen creatures. Drawing on her post-apocalyptic survival and action skills--and with the help of some odd new companions--June attempts to make her way back home. But not before she uncovers critical information about the mysterious "Tower." Information that the future of our world may hinge upon . . . Told in a mixture of text and black-and-white illustration, this is the perfect series for any kid who’s ever dreamed of starring in their own comic book or video game.

Proud Beggars Nobrow Press

A thought-provoking reflection on the practice and history of pilgrimage, and a compelling exploration of its relevance today. Pilgrimage, a global ritual embraced by nearly all faiths, is one of civilization’s most enduring traditions. In this compelling book, author and journalist Peter Stanford reflects on the reasons people have walked along the same sacred paths through the ages. Through this history, Stanford explores how the experiences of the first pilgrims to Jerusalem, Mecca, and Santiago de Compostela compare to the millions of people who embark on life-changing physical and spiritual journeys today. Pilgrimage traverses sacred landscapes around the world, from the Basilica of Our Lady of Guadalupe in Mexico City to the monolithic rock-cut churches of Lalibela, Ethiopia and the riverbanks of the Kumbh Mela in India. Stanford explores the historical and spiritual significance of these places of healing and reflection and discusses their roles as crossroads., Although pilgrimage is usually viewed as an individual’s escape from the everyday to refocus the mind and soul, institutional and national struggles for power have always had an impact on the way pilgrims experience their own personal journey. Guiding readers through the global history of pilgrimage, this thought- provoking book educates a new generation that may seek solace, clarity, and wonder by following in the footsteps of travelers from the past.

It’s In His Kiss Andersen Press USA

Kengo Kuma is a globally acclaimed Japanese architect whose prodigious output possesses an inherent respect and value of materials and environment, often creating a harmonious balance between building and landscape. He masterfully engages both architectural experimentation and traditional Japanese design with twenty-first-century technology, resulting in highly advanced yet beautifully simple, gentle, human-scaled buildings. Often ranked among other esteemed architects, such as Shigeru Ban, Tadao Ando, Kazuyo Sejima, or Kenzo Tange, Kuma is always in search of new materials to replace concrete and steel, and seeks a new approach for architecture in a post-industrial society, fusing interior and exterior realms to make spaces that create a calming and tranquil atmosphere. Known for his prolific writing, Kuma is constantly re-engaging with different aspects of the architectural discipline, whether it be construction or representation in order to give further progress to his ideas. This richly illustrated volume showcases close to forty high-profile works by Kengo Kuma & Associates (based in Tokyo and Paris), focusing on some of his most recognised works, including the Asakusa Culture and Tourism Center in Tokyo, the Mont Blanc Base Camp project, the Great Bamboo Wall, as well as progress for the design for Tokyo’s main stadium for the 2020 Olympic Games. AUTHOR: Kengo Kuma was born in 1954. Before establishing Kengo Kuma & Associates in 1990, he received his Master’s Degree in Architecture from the University of Tokyo, where he is currently a professor of architecture. Having been inspired by Kenzo Tange’s Yoyogi National Gymnasium, built for the 1964 Tokyo Olympics, Kengo Kuma decided to pursue architecture at a young age, and later entered the Architecture programme at the University of Tokyo, where he studied under Hiroshi Hara and Yoshichika

Uchida. During his graduate studies, he made a research trip across the Sahara, exploring various villages and settlements, observing a unique power and beauty. After his time as a visiting scholar at Columbia University in New York, he established his office in Tokyo. Since then, Kengo Kuma & Associates have designed architectural works in over twenty countries and received prestigious awards, including the Architectural Institute of Japan Award, the Spirit of Nature Wood Architecture Award (Finland), and the International Stone Architecture Award (Italy), among others. SELLING POINTS: * Rich illustrations and informative discussions highlight how Kengo Kuma’s architecture naturally merges with its cultural and environmental surroundings, with a close examination of the experimentation and use of natural materials and light, and how the buildings meet with their natural surroundings * Explores in detail up to forty high-profile projects, including work on Tokyo’s main stadium for the 2020 Olympic Games, the renovation of the V&A Dundee waterfront museum in Scotland, as well as more human-scaled works, such as a coffee-house featuring origami-like ceilings designed to offer customers a theatrical experience 300 colour images

Miffy at the Farm Candlewick Press

From the author of *TO KILL A KINGDOM* and *INTO THE CROOKED PLACE* comes the second in a spectacular fantasy duology, in a world thriving with black magic. Threats are like promises. Don’t make ones you can’t keep. With Wesley as their prisoner, Dante Ashwood and Zekia tear through the streets of Uskhanya, conquering cities at a time with their army of Crafters and enthralled citizens. As Wesley realises the truth of his power and Zekia tries to lure him to darkness, he must fight against the deadly magic that invades his mind and find a way back to his friends before it’s too late. Meanwhile, as the cities fall, Tavia, Saxony and Karam prepare for a fight unlike any other. With tensions running high and battles at every turn, they must unite an army of Crafters, crooks and even politicians if they truly want to take down Ashwood once and for all. But things are never simple: with dark magic circling and old secrets clawing from the grave, the unlikely friends have to decide just how far they’ll go to do what’s right and if they’re willing to sacrifice everything to win - including each other.

Discover who you are and unlock your potential with the power of the Enneagram Fans of Myers Briggs, *The Five Love Languages*, and *Everything DiSC* are loving the Enneagram test. The Enneagram is a personality typing system that describes patterns in how people interpret the world, manage their emotions, and experience their inner lives. The Enneagram describes nine different personality types and maps each of these types on a nine-pointed diagram to illustrate how each type relates to one another. From bestselling books, popular podcasts, online courses, workshops, even around the dinner table, the Enneagram is having a moment and is likely here to stay. But what does your number represent? Are you a three, a seven, a nine, or something in between? And how do you use your Enneagram number to better relate to loved ones, friends, and colleagues? Enneagram For Dummies is here to help. Written by Enneagram expert and author Jeanette van Stijn, *Enneagram For Dummies* offers a step-by-step approach for using the Enneagram as a tool for personal transformation and development. You’ll discover: Which Enneagram type best matches your personality Advice on overcoming challenges that your personality type often faces Interpersonal skills you should develop to succeed with people of other Enneagram personality types Ways to use your knowledge of Enneagram types to navigate the twists and turns of the workplace How the Enneagram aligns itself with many of the world’s spiritual traditions Whether you’re the Helper, the Investigator, the Peacemaker, or another personality type altogether, *Enneagram For Dummies* shows you how to overcome your inner barriers, recognize your unique gifts and strengths, and truly connect with the world around you. [The Story of Matthew Buzzington](#) Liveright Publishing

NOW WITH NEW PROLOGUE ABOUT DEMYSTIFYING CORONAVIRUS NUMBERS, DONALD TRUMP AND WHY STATISTICS MATTER MORE THAN EVER 'The Number Bias combines vivid storytelling with authoritative analysis to deliver a warning about the way numbers can lead us astray - if we let them.' TIM HARFORD Even if you don't consider yourself a numbers person, you are a numbers person. The time has come to put numbers in their place. Not high up on a pedestal, or out on the curb, but right where they belong: beside words. It is not an overstatement to say that numbers dictate the way we live our lives. They tell us how we're doing at school, how much we weigh, who might win an election and whether the economy is booming. But numbers aren't as objective as they may seem; behind every number is a story. Yet politicians, businesses and the media often forget this - or use it for their own gain. Sanne Blauw travels the world to unpick our relationship with numbers and demystify our misguided allegiance, from Florence Nightingale using statistics to petition for better conditions during the Crimean War to the manipulation of numbers by the American tobacco industry and the ambiguous figures peddled during the EU referendum. Taking us from the everyday numbers that govern our health and wellbeing to the statistics used to wield enormous power and influence, *The Number Bias* counsels us to think more wisely. 'A beautifully accessible exploration of how numbers shape our lives, and the importance of accurately interpreting the statistics we are fed.' ANGELA SAINI, author of *Superior*

Miffy in the Tent Penguin Books

Unlike most men of his acquaintance, Gregory Bridgerton believes in true love. And he is convinced that when he finds the woman of his dreams, he will know in an instant that she is the one. And that is exactly what happened. Except. She wasn't the one. In fact, the ravishing Miss Hermione Watson is in love with another. But her best friend, the ever-practical Lady Lucinda Abernathy, wants to save Hermione from a disastrous alliance, so she offers to help Gregory win her over. But in the process, Lucy falls in love. With Gregory! Except. Lucy is engaged. And her uncle is not inclined to let her back out of the betrothal, even once Gregory comes to his senses and realizes that it is Lucy, with her sharp wit and sunny smile, who makes his heart sing. And now, on the way to the wedding, Gregory must risk everything to ensure that when it comes time to kiss the bride, he is the only man standing at the altar.

The Messy Book Thames & Hudson

The girls make their final stand in this third and final novel in the thrilling, subversive near-future series from New York Times bestselling author Suzanne Young about a girls-only private school that is far more than it appears to be. There is no one who can save your rebel soul... The girls of Innovations Academy escaped the confines of their unethical school, fought against the system protecting predators who targeted girls for harassment, and they're not done yet. They're still not free. Reeling from one revelation after the next, Mena and her friends begin to unwind the truth of their existence and, as a result, their destiny. The men from Innovations Corporation still hunt them, the woman who created them still wants control over them, and worst of all, Mena realizes that through all her pain, all her tears, the world of men has not changed. There is no more time to hope for the best. The girls know they are in a battle for their lives, a war for their very existence. The girls of Innovations Academy have sharpened their sticks to fight back, they have fought for justice with blood from their razor hearts. And now, the girls will choose their true nature...and how they define their rebel souls.
