CULLEN HOGAN

Blue Collar Resumes St. Louis : Warren H. Green

From the author of *Burial Rites*, "a literary novel with the pace and tension of a thriller that takes us on a frightening journey towards an unspeakable tragedy."-Paula Hawkins, bestselling author of *The Girl on the Train* and *Into the Water* Based on true events in nineteenth century Ireland, Hannah Kent's startling new novel tells the story of three women, drawn together to rescue a child from a superstitious community. Nora, bereft after the death of her husband, finds herself alone and caring for her grandson Micheal, who can neither speak nor walk. A handmaid, Mary, arrives to help Nora just as rumors begin to spread that Micheal is a changeling child who is bringing bad luck to the valley. Determined to banish evil, Nora and Mary enlist the help of Nance, an elderly wanderer who understands the magic of the old ways. Set in a lost world bound by its own laws, *THE GOOD PEOPLE* is Hannah Kent's startling new novel about absolute belief and devoted love. Terrifying, thrilling and moving in equal measure, this follow-up to *Burial Rites* shows an author at the height of her powers.

The Good People Routledge

Media product portfolios are rapidly becoming the predominant shared characteristic of media companies worldwide. The phenomenon involves firms from all kinds of media--newspapers, magazines, television, radio, cinema--and is found in enterprises ranging from small, local firms to large, globalized companies. This volume is the result of a coordinated effort of scholars in the United States and Europe to explore the characteristics, processes, challenges, and implications of media product portfolios. This book breaks new ground by introducing the concepts of product portfolio management and applying them to media companies in a comprehensive manner. It draws from knowledge and methods of analyzing product portfolio management in other industries, applies that knowledge to media industries, and analyzes current practices in media firms. The process and issues of portfolio strategy, development, and management are complex and wide ranging. The book explores the development of media product portfolios from an interdisciplinary perspective, providing insight from business, economic, organizational, and communication approaches. The book explores why and how firms develop portfolios, how company strategy and organizational development relate to portfolios, the role of leaders in developing portfolio activities, economic and economic geography issues in portfolios, production issues, challenges in managing multiple products and operations, issues of marketing and branding issues in portfolios, personnel implications, and the unique challenges in the internationalization of media portfolio operations.
