LOGAN RODNEY

Good Morning, Holy Spirit Heritage Books

The Eve of Spain demonstrates how the telling and retelling of one of Spain's founding myths played a central role in the formation of that country's national identity. King Roderigo, the last Visigoth king of Spain, rapes (or possibly seduces) La Cava, the daughter of his friend and counselor, Count Julian. In revenge, the count travels to North Africa and conspires with its Berber rulers to send an invading army into Spain. So begins the Muslim conquest and the end of Visigothic rule. A few years later, in Northern Spain, Pelayo initiates a Christian resistance and starts a new line of kings to which the present-day Spanish monarchy traces its roots. Patricia E. Grieve follows the evolution of this story from the Middle Ages into the modern era, as shifts in religious tolerance and cultural acceptance influenced its retelling. She explains how increasing anti-Semitism came to be woven into the tale during the Christian conquest of the peninsula—in the form of traitorous Jewish conspirators. In the sixteenth century, the tale was linked to the looming threat of the Ottoman Turks. The story continued to resonate through the Enlightenment and into modern historiography, revealing the complex interactions of racial and religious conflict and evolving ideas of women's sexuality. In following the story of La Cava, Rodrigo, and Pelayo, Grieve explains how foundational myths and popular legends articulate struggles for national identity. She explores how myths are developed around few historical facts, how they come to be written into history, and how they are exploited politically, as in the expulsion of the Jews from Spain in 1492 followed by that of the Moriscos in 1609. Finally, Grieve focuses on the misogynistic elements of the story and asks why the fall of Spain is figured as a cautionary tale about a woman's sexuality.

The Genealogical Helper Carolrhoda Lab ®

This princess can shave herself! The hilarious bestselling authors of *Kill the Farm Boy* and *No Country for Old Gnomes* are back with a new adventure in the irreverent world of Pell. Once upon a time, a princess slept in a magical tower cloaked in thorns and roses. When she woke, she found no Prince Charming, only a surfeit of hair and grotesquely long fingernails—which was, honestly, better than some creep who acted without consent. She cut off her long braids and used them to escape. But she kept the beard because it made a great disguise. This is not a story about finding true love's kiss—it's a story about finding yourself. On a pirate ship. Where you belong. But these are no ordinary pirates aboard *The Puffy Peach*, serving under Filthy Lucre, the one-eyed parrot pirate captain. First there's Vic, a swole and misogynistic centaur on a mission to expunge himself of the magic that causes him to conjure tea and dainty cupcakes in response to stress. Then there's Tempest, who's determined to become the first dryad lawyer—preferably before she takes her ultimate form as a man-eating tree. They're joined by Alobartalus, an awkward and unelfy elf who longs to meet his hero, the Sn'archivist who is said to take dictation directly from the gods of Pell. Throw in some mystery meat and a dastardly capitalist plot, and you've got one Pell of an adventure on the high seas! In this new escapade set in the magical land of Pell, Delilah S. Dawson and Kevin Hearne lovingly skewer the tropes of fairy tales and create a new kind of fantasy: generous, gently humorous, and inclusive. There might also be otters.

The Princess Beard Crown

In an irreverent series in the tradition of Monty Python, the bestselling authors of the *Iron Druid Chronicles* and *Star Wars*: Phasma reinvent fantasy, fairy tales, and floridly written feast scenes. "Ranks among the best of Christopher Moore and Terry Pratchett."—Chuck Wendig "When you put two authors of this high caliber together, expect fireworks. Or at least laughs. What a hoot!"—Terry Brooks Once upon a time, in a faraway kingdom, a hero, the Chosen One, was born . . . and so begins every fairy tale ever told. This is not that fairy tale. There is a Chosen One, but he is unlike any One who has ever been Chosened. And there is a faraway kingdom, but you have never been to a magical world quite like the land of Pell. There, a plucky farm boy will find more than he's bargained for on his quest to awaken the sleeping princess in her cursed tower. First there's the Dark Lord, who wishes for the boy's untimely death . . . and also very fine cheese. Then there's a bard without a song in her heart but with a very adorable and fuzzy tail, an assassin who fears not the night but is terrified of chickens, and a mighty fighter more frightened of her sword than of her chain-mail bikini. This journey will lead to

sinister umlauts, a trash-talking goat, the Dread Necromancer Steve, and a strange and wondrous journey to the most peculiar "happily ever after" that ever once-upon-a-timed. Praise for *Kill the Farm Boy* "A rollicking fantasy adventure that upends numerous genre tropes in audacious style . . . a laugh-out-loud-funny fusion of Monty Python-esque humor and whimsy à la Terry Pratchett's *Discworld*."—Kirkus Reviews "Dawson and Hearne's reimagining of a traditional fairy tale is reminiscent of William Goldman's *The Princess Bride* and William Steig's *Shrek!* Irreverent, funny, and full of entertaining wordplay, this will keep readers guessing until the end."—Library Journal "Will have you laughing out loud until strangers begin to look at you oddly."—Syfy "A smart comedy . . . nuanced, complicated, and human."—Tordotcom "[Delilah Dawson and Kevin Hearne] make fun of the typical 'white male power fantasies,' and in that, they succeed, with their heroes all characters of color and/or falling somewhere under the LGBTQ umbrella."—Publishers Weekly

OBI-123 Del Rey

Come with the Mob Squad on an amazing adventure through the Overworld in this official *Minecraft* novel! The village of Cornucopia is practically perfect in every way. Plenty of food, cozy homes, and a huge wall to keep everyone safe from the scary world outside. What more could a kid possibly need? Well, a lot, actually. Mal, a fearless girl, needs adventure, and her friends are right there with her: Lenna, a dreamer whose family underestimates her every day. Tok and Chug, brothers who love to build stuff (Tok) and smash stuff (Chug). They're best friends, and in a town whose grown-ups value safety over bravery and fitting in over standing out, they're the bad apples. But when a mysterious mob sneaks past Cornucopia's defenses, the village is in huge trouble. And nobody knows what to do. Finally faced with the adventure she's always wanted, Mal and her friends defy the rules their elders have always followed and set out beyond the wall for the first time. On their journey across the Overworld, they discover wonders they've never dreamed of and dangers they've never imagined. To save the day, they'll have to prove they're more than bad apples. They're the Mob Squad!

Hounded Del Rey

One cold winter night in Toronto, the Holy Spirit entered Benny Hinn's life in such a dramatic way that he was changed forever. The same thing can happen to you. Join the millions of others who have read *Good Morning Holy Spirit* and discover if you are ready to meet the Holy Spirit intimately and personally, willing to listen to His voice, and prepared to know Him as a person. Morals and Dogma of the Ancient and Accepted Scottish Rite of Freemasonry Disney Lucasfilm Press

Mirabelle's past is shrouded in secrecy, from her parents' tragic deaths to her guardians' half-truths about why she can't return to her birthplace, Beau Rivage. Desperate to see the town, Mira runs away—and discovers a world she never could have imagined. In Beau Rivage, nothing is what it seems—the strangely pale girl with a morbid interest in apples, the obnoxious playboy who's a beast to everyone he meets, and the chivalrous guy who has a thing for damsels in distress. Here, fairy tales come to life, curses are awakened, and ancient stories are played out again and again. But fairy tales aren't pretty things, and they don't always end in happily ever after. Mira has a role to play, a fairy tale destiny to embrace or resist. As she struggles to take control of her fate, Mira is drawn into the lives of two brothers with fairy tale curses of their own...brothers who share a dark secret. And she'll find that love, just like fairy tales, can have sharp edges and hidden thorns.

The Latest Illustrated Polyglot Family Bible Containing the Old and New Testaments, Together with the Apocrypha Disney Electronic Content

Shakespeare's *The Merchant of Venice* occupies a unique place in world culture. As the fictional, albeit iconic, character of Shylock has been interpreted as exotic outsider, social pariah, melodramatic villain and tragic victim, the play, which has been performed and read in dozens of languages, has served as a lens for examining ideas and images of the Jew at various historical moments. In the last two hundred years, many of the play's stage interpreters, spectators, readers and adapters have themselves been Jews, whose responses are often embedded in literary,

theatrical and musical works. This volume examines the ever-expanding body of Jewish responses to Shakespeare's most Jewishly relevant play.

The Illuminated Bible, Containing the Old and New Testaments... JHU Press

This is the New Testament portion of the complete text of "The Youth Bible." Contains introductory material, devotions, more than 200 "real-life" stories, other information, maps, time lines, and study helps.

Book of Commandments, for the Government of the Church of Christ Del Rey

This is a supplement to the author's *Encyclopedia of Television Shows, 1925-2010*. It covers 1,612 series broadcast between January 1, 2011, and December 31, 2016. Major networks--ABC, CBS, the CW, Fox and NBC--are covered along with many cable channels, such as AMC, Disney, Nickelodeon, Bravo, Lifetime, Discovery, TNT, Comedy Central and History Channel. Alphabetical entries provide storylines, casts, networks and running dates. A performer index is included.

The Comprehensive Bible Disney Electronic Content

"A masterpiece of contemporary Bible translation and commentary."—Los Angeles Times Book Review, Best Books of 1999 Acclaimed for its masterful new translation and insightful commentary, *The David Story* is a fresh, vivid rendition of one of the great works in Western literature. Robert Alter's brilliant translation gives us David, the beautiful, musical hero who slays Goliath and, through his struggles with Saul, advances to the kingship of Israel. But this David is also fully human: an ambitious, calculating man who navigates his life's course with a flawed moral vision. The consequences for him, his family, and his nation are tragic and bloody. Historical personage and full-blooded imagining, David is the creation of a literary artist comparable to the Shakespeare of the history plays.

No Country for Old Gnomes Random House Worlds

After twelve years of secret training, Atticus O'Sullivan is finally ready to bind his apprentice, Granuaile, to the earth and double the number of Druids in the world. But on the eve of the ritual, the world that thought he was dead abruptly discovers that he's still alive, and they would much rather he return to the grave. Having no other choice, Atticus, his trusted Irish wolfhound, Oberon, and Granuaile travel to the base of Mount Olympus, where the Roman god Bacchus is anxious to take his sworn revenge—but he'll have to get in line behind an ancient vampire, a band of dark elves, and an old god of mischief, who all seem to have KILL THE DRUID at the top of their to-do lists. Don't miss any of Kevin Hearne's phenomenal *Iron Druid Chronicles* novels: HOUNDED | HEXED | HAMMERED | TRICKED | TRAPPED | HUNTED | SHATTERED | STAKED

The Eve of Spain University Press of Kentucky

OVER A MILLION COPIES OF THE IRON DRUID BOOKS SOLD

'American Gods meets Jim Butcher's *Harry Dresden*' SFF World Kevin Hearne creates the ultimate Atticus O'Sullivan adventure in the grand finale of the New York Times bestselling *Iron Druid Chronicles*. Unchained from fate, the Norse gods Loki and Hel are ready to unleash Ragnarok, a.k.a. the Apocalypse, upon the earth. With a whole host of dark allies on their side, there's a globe-spanning battle on the cards - one which *Druid Atticus O'Sullivan* will be hard-pressed to survive, much less win. Atticus must recruit the aid of an Indian witch and a trickster god in hopes that they'll give him just enough leverage to both save Gaia and see another sunrise. After all - if the world ends, who's going to make sure the hound Oberon gets his well-deserved snack? Praise for the *Iron Druid Chronicles*: 'Atticus and his crew are a breath of fresh air! . . . I love, love, love this series' My Bookish Ways 'Entertaining, steeped in a ton of mythology, populated by awesome characters' *Civilian Reader* 'This is one series no fantasy fan should miss. Mystery, suspense, magic and mayhem' *SciFiChick* The *Iron Druid Chronicles* *Hounded* *Hexed* *Hammered* *Tricked* *Trapped* *Hunted* *Shattered* *Staked* *Scourged* *Besieged* (short stories) *HAVE YOU TRIED...* Kevin Hearne's new adventure set in the world of the *Iron Druid Chronicles*, *INK & SIGIL* - described by Booklist as 'a new action-packed, enchantingly fun series' . . . Kevin Hearne's epic fantasy novel *A PLAGUE OF GIANTS* - described by Delilah S. Dawson as 'a rare masterpiece that's both current and timeless . . . merging the fantasy bones of Tolkien and Rothfuss with a wide cast of characters who'll break your heart'. Out now!

The Unfolding God of Jung and Milton Disney Lucasfilm Press NUMEROUS volumes have been written as commentaries upon the secret systems of philosophy existing in the ancient world, but the ageless truths of life, like many of the earth's greatest thinkers, have usually been clothed in shabby garments. The

present work is an attempt to supply a tome worthy of those seers and sages whose thoughts are the substance of its pages. To bring about this coalescence of Beauty and Truth has proved most costly, but I believe that the result will produce an effect upon the mind of the reader which will more than justify the expenditure.

Scourged Cambridge University Press

This beautifully illustrated treasury celebrates the stories that make up the greatest saga of all time. New York Times Best-Selling Author, Delilah Dawson, retells Episodes I-VIII through Anakin, Luke, Leia, and Rey's points of view. Exquisitely bound, with artwork by Brian Rood, this special collection is the perfect gift for Star Wars fans young and old.

Kill the Farm Boy Thomas Nelson

As the country enters a new era of conversations around race and the enduring impact of slavery, *The Hairstons* traces the rise and fall of the largest slaveholding family in the Old South as its descendants—both black and white—grapple with the twisted legacy of their past. Spanning two centuries of one family's history, *The Hairstons* tells the extraordinary story of the Hairston clan, once the wealthiest family in the Old South and the largest slaveholder in America. With several thousand black and white members, the Hairstons of today share a complex and compelling history: divided in the time of slavery, they have come to embrace their past as one family. For seven years, journalist Henry Wiencek combed the far-reaching branches of the Hairston family tree to piece together a family history that involves the experiences of both plantation owners and their slaves. Crisscrossing the old plantation country of Virginia, North Carolina, and Mississippi, *The Hairstons* reconstructs the triumphant rise of the remarkable children, grandchildren, and great-grandchildren of the enslaved as they fought to take their rightful place in mainstream America. It also follows the white descendants through the decline and fall of the Old South, and uncovers the hidden history of slavery's curse—and how that curse followed slaveholders for generations. Expertly weaving stories of horror, tragedy, and heroism, *The Hairstons* addresses

our nation's attempt to untangle the twisted legacy of the past, and provides a transcendent account of the human power to overcome.

Star Wars The Skywalker Saga HarperCollins Australia

DigiCat Publishing presents to you this special edition of "Morals and Dogma of the Ancient and Accepted Scottish Rite of Freemasonry" by Albert Pike. Star Wars Who's Who in the Galaxy (A Character Storybook)

Cambridge University Press

This History explores innovations in African American autobiography since its inception, examining the literary and cultural history of Black self-representation amid life writing studies. By analyzing the different forms of autobiography, including pictorial and personal essays, editorials, oral histories, testimonials, diaries, personal and open letters, and even poetry performance media of autobiographies, this book extends the definition of African American autobiography, revealing how people of African descent have created and defined the Black self in diverse print cultures and literary genres since their arrival in the Americas. It illustrates ways African Americans use life writing and autobiography to address personal and collective Black experiences of identity, family, memory, fulfillment, racism and white supremacy. Individual chapters examine scrapbooks as a source of self-documentation, African American autobiography for children, readings of African American persona poems, mixed-race life writing after the Civil Rights Movement, and autobiographies by African American LGBTQ writers.

The Last Duel St. Martin's Press

Go big or go gnome. The New York Times bestselling authors of *Kill the Farm Boy* welcome you to the world of Pell, the irreverent fantasy universe that recalls Monty Python and Terry Pratchett. "A complete delight, as fluffy and fun as *The Lego Movie* and as

heartfelt as *Harry Potter and the Sorcerer's Stone*."—Locus War is coming, and it's gonna be Pell. On one side stand the gnomes: smol, cheerful, possessing tidy cardigans and no taste for cruelty. On the other side sit the halflings, proudly astride their war alpacas, carrying bags of grenades and hungry for a fight. And pretty much anything else. It takes only one halfling bomb and Offi Numminen's world is turned upside down—or downside up, really, since he lives in a hole in the ground. His goth cardigans and aggressive melancholy set him apart from the other gnomes, as does his decision to fight back against their halfling oppressors. Suddenly Offi is the leader of a band of lovable misfits and outcasts—from a gryphon who would literally kill for omelets to a young dwarf herbalist who is better with bees than with his cudgel to an assertive and cheerful teen witch with a beard as long as her book of curses—all on a journey to the Toot Towers to confront the dastardly villain intent on tearing Pell asunder. These adventurers never fit in anywhere else, but as they become friends, fight mermaids, and get really angry at this one raccoon, they learn that there's nothing more heroic than being yourself. In *No Country for Old Gnomes*, Delilah S. Dawson and Kevin Hearne lovingly tweak the tropes of fantasy and fairy tales. Here you'll find goofy jokes and whimsical puns, but you'll also find a diverse, feminist, and lighthearted approach to fantasy that will bring a smile to your face and many fine cheeses to your plate.
