Hal Leonard Corporation

In the twentieth century, Appalachian migrants seeking economic opportunities relocated to southwestern Ohio, bringing their music with them. Between 1947 and 1989, they created an internationally renowned capital for the thriving bluegrass music genre, centered on the industrial region of Cincinnati, Dayton, Hamilton, Middletown, and Springfield. Fred Bartenstein and Curtis W. Ellison edit a collection of eyewitness narratives and in-depth analyses that explore southwestern Ohio's bluegrass musicians, radio broadcasters, recording studios, record labels, and performance venues, along with the music's contributions to religious activities, community development, and public

education. As the bluegrass scene grew, southwestern Ohio's distinctive sounds reached new fans and influenced those everywhere who continue to play, produce, and love roots music. Revelatory and multifaceted, Industrial Strength Bluegrass shares the inspiring story of a bluegrass hotbed and the people who created it. Contributors: Fred Bartenstein, Curtis W. Ellison, Jon Hartley Fox, Rick Good, Lily Isaacs, Ben Krakauer, Mac McDivitt, Nathan McGee, Daniel Mullins, Joe Mullins, Larry Nager, Phillip J. Obermiller, Bobby Osborne, and Neil V. Rosenberg.

**Guitar: an American life** Oak Publications

From out of the dust of California's San Joaquin Valley . . . The Ventures only endorsed Mosrite guitars for about five years. But the legendary instrumental band's use of the upstart guitar line in the mid-1960s was and is, for many musicians, the first band-brand affiliation they remember. That saga is part of the iconic guitar boom during that decade, which changed the American music scene forever. California's guitar-centric surf music genre was going strong in the early part of that decade . . . but there ain't no surf in Bakersfield, where numerous instrument builders and innovators were toiling in the gritty and dusty clime of Kern

County. *Bakersfield Guitars: The Illustrated History* contains the compelling chronologies of numerous intriguing, born-in-Bakersfield guitar brands, including Mosrite, Hallmark, Gruggett, Standel (three different manufacturers), Encor, Epcor, Dobro (by Mosrite), GM Custom, Melobar, Osborne, and Acoustic. Among the noted musicians whose recollections are documented here are Marshall Crenshaw, Tommy Shaw, Jorma Kaukonen, Jeff Carlisi, Fred Newell, Ed King, Chuck Seaton, Eugene Moles, Jim Shaw, Tim Bogert, Davie Allan, Jackson Smith, and others.

examining over three hundred artists beginning in the 1950s and covering a wide range of styles and includes performers such as Chuck Berry, Eric Clapton, Duane Eddy, Buddy Holly, Keith Richards, and more.

*Billboard* Hal Leonard Corporation

(Book). The guitar, particularly in its electric form, is the most influential instrument of the past 60 years. *Guitar Masters* spotlights the players who made it that way: the visionary talents and living legends who developed the sound and style of the electric guitar as we know and love it. This book traces the life stories and assesses the musical legacies of such superstar guitarists as Jeff Beck and Keith Richards as well as anonymous but influential sidemen and behind-the-scenes stalwarts such as James Burton. Veteran music journalist Alan di Perna draws on three decades' worth of experience as a writer and interviewer to extract the essence of what makes these gifted guitarists so influential and unique. Their stories are as diverse as they are inspiring. Yet what all these guitar masters share is an unshakable dedication to their craft and a deeply intuitive connection with their chosen instrument. Whether you're a fan, a player, or a master in your own right, *Guitar Masters* will give you new insights into the lives and music of the players to whom we owe our very notion of what a guitar sounds like and its extraordinary power to move people like no other instrument.

**Guitar Rigs** Rowman & Littlefield

How do you define rockabilly? Who were the original "outlaws" of Country music? Where can you go to hear great music in Austin, Texas? *My Country Roots* answers all these questions and hundreds more! It is a resource that will help you fill your mp3
