iPhone X: The Handy Guide Createspace Independent Publishing Platform

Apple Watch Series 5 is the latest Smartwatch in the Apple lineup.

It offers several unique features to make the users more active and better monitor their health among several other great features for humanity. This high-end Smartwatch could be useful for business users, including improved travel notifications and call capabilities. The Apple Watch looks pretty attractive, right? You must have read and heard about the exciting features like: monitoring your ECG and heart beat rate, fitness and exercise, location navigation and many more. As amazing as all the new features are, it's not quite as easy to use like an iPhone or iPad; the lack of buttons, the smaller screen, and general UI can make a frustrating initial experience. To make things simple, Author Dale Brave has exclusive tips and tasks you can achieve with your new Apple Watch Series. This book has exclusive tips and in-depth tutorials
