Barnum (played by Hugh Jackman) and his founding of the Barnum & Bailey Circus, this December 2017 film features a stunning soundtrack by Benj Pasek and Justin Paul of *La La Land* and *Dear Evan Hansen* fame. Our songbook features easy piano arrangements of 9 songs: *Come Alive* * *From Now On* * *The Greatest Show* * *A Million Dreams* * *Never Enough* * *The Other Side* * *Rewrite the Stars* * *This Is Me* * *Tightrope*.

Beyond Charlottesville: Taking a Stand Against White Nationalism Hal Leonard Publishing Corporation

THE INSTANT NEW YORK TIMES BESTSELLER The former governor of Virginia tells the behind-the-scenes story of the violent "Unite the Right" rally in Charlottesville—and shows how we can prevent other Charlottesvillees from happening. When Governor Terry McAuliffe hung up the phone on the afternoon of the violent "Unite the Right" rally in Charlottesville, he was sure Donald Trump would do the right thing as president: condemn the white supremacists who'd descended on the college town and who'd caused McAuliffe to declare a state of emergency that morning. He didn't. Instead Trump declared there was "hatred, bigotry and violence on many sides." Trump was condemned from many sides himself, even by many Republicans, but the damage was done. He'd excused and thus egged on the terrorists at the moment when he could have stopped them in their tracks. In *Beyond Charlottesville*, McAuliffe looks at the forces and events that led to the tragedy in Charlottesville, including the vicious murder of Heather Heyer and the death of two state troopers in a helicopter accident. He doesn't whitewash Virginia history and discusses a KKK protest over the removal of a statue of Robert E. Lee. He takes a hard real-time behind-the-scenes look at the actions of everyone on that fateful August 12, including himself, to see what could have been done. He lays out what was done afterwards to prevent future Charlottesvillees—and what still needs to be done as America in general and Virginia in particular continue to grapple with their history of racism. *Beyond Charlottesville* will be the definitive account of an infamous chapter in our history, seared indelibly into memory, sure to be cited for years as a crucial reference point in the long struggle to fight racism, extremism and hate.

Twelve Patients Penguin

The New York Times bestseller! From the #1 New York Times bestselling author of *This Town*, an equally merciless probing of America's biggest cultural force, pro football, at a moment of peak success and high anxiety Like millions of Americans, Mark Leibovich has spent more of his life tuned into pro football than he'd care to admit. Being a lifelong New England Patriots fan meant growing up on a steady diet of lovable loserdom. That is, until the Tom Brady/Bill Belichick era made the Pats the most ruthlessly efficient and polarizing sports dynasty of the modern NFL, and its fans the most irritating in all of Pigskin America. Leibovich kept his obsession quiet, making a nice career for himself covering that other playground for rich and overgrown children, American politics. Still, every now and then Leibovich would reach out to Tom Brady to gauge his willingness to subject himself to a profile. He figured that the chances of Brady agreeing were a Hail Mary at best, but Brady returned Mark's call in summer 2014 and kept on returning his calls through epic Patriots Super Bowl victory and defeat, and a scandal involving Brady--Deflategate--whose grip on sports media was as profound as its true significance was ridiculous. So began a four-year odyssey that took Mark Leibovich deeper inside the NFL than anyone has gone before. From the owners' meeting to the draft to the sidelines of crucial games, he takes in the show at the elbow of everyone from Brady to big-name owners to the cordially despised NFL Commissioner, Roger Goodell. Ultimately, **BIG GAME** is a chronicle of "peak football"--the high point of the sport's economic success and cultural dominance, but also the time when the dark side began to show. It is an era of explosive revenue growth, but also one of creeping existential fear. Players have long joked that NFL stands for "not for long," but as the true impact of concussions becomes inescapable background noise, it's increasingly difficult to enjoy the simple glory of football without the buzz-kill of its obvious consequences. And that was before Donald Trump. In 2016, Mark's day job caught up with him, and the NFL slammed headlong into America's culture wars. **BIG GAME** is a journey through an epic storm. Through it all, Leibovich always keeps one eye on Tom Brady and his beloved Patriots, through to the 2018 Super Bowl. Pro football, this

hilarious and enthralling book proves, may not be the sport America needs, but it is most definitely the sport we deserve.

Chart Hits of 2017-2018 Carlton Books

The Last Children of Tokyo Thomas Dunne Books

#1 New York Times bestseller! Goodreads Choice Award for the best young adult novel of the year! In this sequel to the acclaimed *Simon vs. the Homo Sapiens Agenda*—now a major motion picture, *Love, Simon*—we follow Simon's BFF Leah as she grapples with changing friendships, first love, and senior year angst. When it comes to drumming, Leah Burke is usually on beat—but real life isn't always so rhythmic. She's an anomaly in her friend group: the only child of a young, single mom, and her life is decidedly less privileged. She loves to draw but is too self-conscious to show it. And even though her mom knows she's bisexual, she hasn't mustered the courage to tell her friends—not even her openly gay BFF, Simon. So Leah really doesn't know what to do when her rock-solid friend group starts to fracture in unexpected ways. With prom and college on the horizon, tensions are running high. It's hard for Leah to strike the right note while the people she loves are fighting—especially when she realizes she might love one of them more than she ever intended. Plus don't miss *Yes No Maybe So*, Becky Albertalli's and Aisha Saeed's heartwarming and hilarious new novel, coming in 2020!

Also featuring a look ahead at what is sure to be an even brighter future, this is the ultimate book for ARMYs as well as new K-pop fans everywhere.

The Case for Marriage Grand Central Publishing

Bill Carter, executive producer of CNN's docuseries *The Story of Late Night* and host of the *Behind the Desk: Story of Late Night* podcast, details the chaotic transition of *The Tonight Show* from host Jay Leno to Conan O'Brien—and back again. In 2010, NBC's CEO Jeff Zucker, had it all worked out when he moved Jay Leno from behind the desk at *The Tonight Show*, and handed the reins over to Conan O'Brien. But his decision was a spectacular failure. Ratings plummeted, affiliates were enraged—and when Zucker tried to put everything back the way it was, that plan backfired as well. No one is more uniquely suited to document the story of a late-night travesty than veteran media reporter and bestselling author, Bill Carter. In candid detail, he charts the vortex that sucked in not just Leno and O'Brien—but also Letterman, Stewart, Fallon, Kimmel, and Ferguson—as frantic agents and network executives tried to manage a tectonic shift in television's most beloved institution.

[Lyle, Lyle, Crocodile](#) Hal Leonard Corporation

An overview of farm-to-fork safety in the preharvest realm Foodborne outbreaks continue to take lives and harm economies, making controlling the entry of pathogens into the food supply a priority. Preharvest factors have been the cause of numerous outbreaks, including *Listeria* in melons, *Salmonella* associated with tomatoes, and Shiga toxin-producing *E.coli* in beef products, yet most traditional control measures and regulations occur at the postharvest stage. *Preharvest Food Safety* covers a broad swath of knowledge surrounding topics of safety at the preharvest and harvest stages, focusing on problems for specific food sources and food pathogens, as well as new tools and potential solutions. Led by editors Siddhartha Thakur and Kalmia Kniel, a team of expert authors provides insights into critical themes surrounding preharvest food safety, including Challenges specific to meat, seafood, dairy, egg, produce, grain, and nut production Established and emerging foodborne and agriculture-related pathogens Influences of external factors such as climate change and the growing local-foods trend Regulatory issues from both US and EU perspectives Use of pre- and probiotics, molecular tools, mathematical modeling, and one health approaches Intended to encourage the scientific community and food industry stakeholders to advance their knowledge of the

developments and challenges associated with preharvest food safety, this book addresses the current state of the field and provides a diverse array of chapters focused on a variety of food commodities and microbiological hazards.
