Wolfgang Amadeus Mozart La Montagne secrète

A comprehensive biography of eighteenth-century Austrian composer Wolfgang Amadeus Mozart that chronicles his life, his music, and the

mystery concerning his death and burial.

Wolfgang Amadeus Mozart and Ludwig Van Beethoven: Masters of Classical Music. the Biography

Collection Courier Corporation

Boyhood of Mozart, as child prodigy at the various royal courts of Europe.

Before he died at the age of thirty-six he had left the world a great heritage of music.

Idomeneo CreateSpace

In 1798 Franz Xaver Niemetschek published this biography of Mozart - the only one written by an eyewitness and authorized by Mozart's widow Konstanze. It includes a dedication to Haydn and is one of the earliest specimens of musical biography which, compared with other branches of biography, was still in its infancy even in the latter part of the 19th century. This first biography of Mozart is not only an important document of music history but also a loving and intimate portrait of the world-renowned composer. Based on documents, letters and other original sources, Mozart: The First Biography conveys a vivid picture of the social and courtly life that formed the background

of Mozart's sheer magical talents as a composer and virtuoso.

The First Biography University of Chicago Press

Presents the life of the eighteenth-century Austrian genius, from his early experiences as a child prodigy, his efforts to find a court appointment, and his career as a composer, creating some of the world's greatest musical masterpieces.

Understanding Music The Rosen Publishing Group, Inc

Introduce young readers to one of history's greatest composers. They will enjoy tracing Mozart's life from his childhood touring Europe as a musical prodigy through his years in Italy, Salzburg, and Vienna. They'll learn about his struggles for independence and his musical innovation. The title touches on the composition of operas, liturgical music, symphonies, concertos, and more. Mozart's enduring popularity and the significant influence he had on the composers who followed him are also discussed. A timeline helps readers understand the chronology of events discussed in the book.

Mozart?Penguin

The Story of Mozart Millbrook Press

Probably the most naturally gifted musician the world has ever known, Mozart began his career early as a child prodigy. By the age five, he was already proficient on the violin, the harpsichord and piano keyboard, and had begun composing music that had integrity. He was a showman as well, according to contemporary documents, and charmed many of the crowned heads of Europe with his performance and his manner. Inside you'll read about Early Years of Prodigy The Grand Tour 1763-66 Setbacks and Success in Vienna The Solo Trip to Italy Salzburg to Vienna Augsburg, Mannheim, Paris, and Munich Munich and Idomeneo And much more! Unlike other child prodigies though, Mozart developed gradually into a mature musician, composing operas, concertos, forty-one symphonies, string quartets, piano sonatas, and many other kinds of music. Although he died when he was only thirty-five years old, he is still one of the most prolific composers who ever lived.***Ludwig van Beethoven is a crucial figure in the transition between the Classical and Romantic eras in Classical music. Beethoven displayed his musical talents at an early age and was taught by his father Johann van Beethoven and by composer and conductor Christian Gottlob Neefe. Inside you'll read about Background and early life Establishing his career in Vienna Musical maturity Loss of hearing Patronage Middle period Personal and family difficulties Late works Illness and death And much more! At the age of 21, he moved to Vienna, where he began studying composition with Joseph Haydn and gained a reputation as a virtuoso pianist. He lived in Vienna until his death. By his late 20s his hearing began

to deteriorate, and by the last decade of his life, he was almost completely deaf. In 1811 he gave up conducting and performing in public but continued to compose; many of his most admired works come from these last 15 years of his life.

Wolfgang Amadeus Mozart Who was Wolfgang Amadeus Mozart?

12 Variations On "Ah, vous dirai-je maman" by Wolfgang Amadeus Mozart contains a score for the solo piano. It is a fine example of the composer's work and a fantastic addition to any classical musician's repertoire. Many of the earliest books, particularly those dating back to the 1900s and before, are now extremely scarce. We are republishing these classic works in affordable, high quality, modern editions, using the original text and artwork.

The Letters of Wolfgang Amadeus Mozart
Andesite Press

From the acclaimed composer and biographer Jan Swafford comes the definitive biography of one of the most lauded musical geniuses in history, Wolfgang Amadeus Mozart. At the earliest ages it was apparent that Wolfgang Mozart's singular imagination was at work in every direction. He hated to be bored and hated to be idle, and through his life he responded to these threats with a repertoire of antidotes mental and physical. Whether in his rabidly obscene mode or not, Mozart was always hilarious. He went at every piece of his life, and perhaps most notably his social life, with tremendous gusto. His circle of friends and patrons was wide, encompassing anyone who appealed to his boundless appetites for music and all things pleasurable and fun. Mozart was known to be an inexplicable force of nature who could rise from a luminous improvisation at the keyboard to a leap

over the furniture. He was forever drumming on things, tapping his feet, jabbering away, but who could grasp your hand and look at you with a profound, searching, and melancholy look in his blue eyes. Even in company there was often an air about Mozart of being not quite there. It was as if he lived onstage and off simultaneously, a character in life's tragicomedy but also outside of it watching, studying, gathering material for the fabric of his art. Like Jan Swafford's biographies Beethoven and Johannes Brahms, Mozart is the complete exhumation of a genius in his life and ours: a man who would enrich the world with his talent for centuries to come and who would immeasurably shape classical music. As Swafford reveals, it's nearly impossible to understand classical music's origins and indeed its evolutions, as well as the Baroque period, without studying the man himself.

Who was Wolfgang Amadeus Mozart?
Courier Corporation

Handy practical guide to three of Mozart's most popular operas. Excellent line-for-line English translations face the Italian texts. Also introductions, plot synopses, and lists of characters for each opera.

12 Variations on Ah, Vous Dirai-Je Maman by Wolfgang Amadeus Mozart for Solo Piano (1782) K.256/300e University of Chicago Press

The story of Wolfgang Amadeus Mozart's precocity is so familiar as to be taken for granted. In scholarship and popular culture, Mozart the Wunderkind is often seen as belonging to a category of childhood all by himself. But treating the young composer as an anomaly risks minimizing his impact. In this book, Adeline Mueller examines how Mozart shaped the social and cultural

reevaluation of childhood during the Austrian Enlightenment. Whether in a juvenile sonata printed with his age on the title page, a concerto for a father and daughter, a lullaby, a musical dice game, or a mass for the consecration of an orphanage church, Mozart's music and persona transformed attitudes toward children's agency, intellectual capacity, relationships with family and friends, political and economic value, work, school, and leisure time. Thousands of children across the Habsburg Monarchy were affected by the Salzburg prodigy and the idea he embodied: that childhood itself could be packaged, consumed, deployed, "performed"—in short, mediated—through music. This book builds upon a new understanding of the history of childhood as dynamic and reciprocal, rather than a mere projection or fantasy—as something mediated not just through texts, images, and objects but also through actions. Drawing on a range of evidence, from children's periodicals to Habsburg court edicts and spurious Mozart prints, Mueller shows that while we need the history of childhood to help us understand Mozart, we also need Mozart to help us understand the history of childhood. Mitchell Lane Publishers, Inc.
