A Queen in Hiding

HarperCollins

As ancient immortals are left reeling, a modern Athena and Hermes search the world for answers in Mortal Gods, the second Goddess War novel by Kendare Blake, acclaimed author of Anna Dressed in Blood. Ares, god of war, is leading the other dying gods into battle. Which is just fine with Athena. She's ready to wage a war of her own, and she's never liked him anyway. If Athena is lucky, the winning gods will have their immortality restored. If not, at least she'll have killed the bloody lot of them, and she and Hermes can die in peace. Cassandra Weaver is a weapon of fate. The girl who kills gods. But all she wants is for the god she loved and lost to return to life. If she can't have that, then the other gods will burn, starting with his murderer, Aphrodite. The alliance between Cassandra and Athena is fragile. Cassandra suspects Athena lacks the will to truly kill her own family. And Athena fears that Cassandra's hate will get them all killed. The war takes them across the

globe, searching for lost gods, old enemies, and Achilles, the greatest warrior the world has ever seen. As the struggle escalates, Athena and Cassandra must find a way to work together. Because if they can't, fates far worse than death await. At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

The Goddess War

Trilogy HarperCollins

The electrifying sequel to The New York Times bestselling Three Dark Crowns "Gorgeous and bloody, tender and violent, precise, and passionate; above all, completely addicting." Kirkus Reviews on Three Dark Crowns The battle for the crown has begun, but which of the three sisters will prevail? With the unforgettable events of the Quickening behind them and the Ascension Year underway, all bets are off. Katharine, once the weak and feeble sister, is stronger than ever before. Arsinoe, after discovering the truth about her powers, must figure out how to make her secret talent work in her favour without anyone finding out. And Mirabella, once thought to be the strongest sister of all and

the certain Queen Crowned, faces attacks like never before - ones that put those around her in danger that she can't seem to prevent. In *One Dark Throne*, the enthralling sequel to Kendare Blake's *The New York Times*-bestselling *Three Dark Crowns*, Fennbirn's deadliest queens must face the one thing standing in their way of the crown: each other. MORE PRAISE FOR *THREE DARK CROWNS* "a brutal and inventive fantasy that is as addictive as it is horrifying ... I'm salivating like poisoners at a feast to find out what will happen next." Marissa Meyer, *New York Times* bestselling author of the *Lunar Chronicles* "With exquisite world building and luminous detail, this is high fantasy at its best." Booklist (starred review) "The opener to a pitch-black epic fantasy series. Blake has constructed an insular, matriarchal society from convincing intimate details, vivid, complicated characters, [and] sumptuous, poetic prose. Gorgeous and bloody, tender and violent, precise, and passionate; above all, completely addicting." Kirkus Reviews (starred review)

One Dark Throne Tor Teen The Queens of Fennbirn contains two gripping stories from the *New York Times* bestselling *Three Dark Crowns* universe, written by Kendare Blake. *The Young Queens* is the story of the three queens when they were born, before they were separated - it gives a short glimpse of the time when they all lived together, loved each other and protected one another. It's also the story of the day they were torn apart and the immediate years that followed before the opening of *Three Dark Crowns*. The Oracle Queen - historically, baby queens born with the sight gift were drowned. This had been the practice for hundreds of years, so long that few were even born any more, as if the Goddess knew it would be a waste. It is a harsh sentence, but necessary, for it is well-known that in a queen the sight gift will run strong. Strong enough to drive her mad. This is the tale of the last sight-gift queen to be allowed to live. She was overcome by paranoia and false visions, driven past the brink by the phantom thoughts of others in her head, so she set upon the capital with bloody ruin, murdering whole houses,

whole family lines, without trial. Or at least, that is how the tale is told. This is her story. **The Tale of the Whale** Tor Teen #1 *New York Times* bestselling author Kendare Blake delivers two *Three Dark Crowns* prequel novellas fans won't want to miss! Together in print for the first time in this paperback bind-up, the dazzling prequels to the *Three Dark Crowns* series are finally available for fans to have and to (literally) hold. Uncover the sisters' origins, dive deep into the catastrophic reign of the Oracle Queen, and reveal layers of Fennbirn's past, hidden until now. *The Young Queens Get* a glimpse of triplet queens Mirabella, Arsinoe, and Katharine during a short period of time when they protected and loved one another. From birth until their claiming ceremonies, this is the story of the three sisters' lives...before they were at stake. The Oracle Queen Everyone knows the legend of Elsabet, the Oracle Queen. The one who went mad. The one who orchestrated a senseless, horrific slaying of three entire houses. But what really happened? Discover the

true story behind the queen who could foresee the future...just not her own downfall.
