God's plan for you as a believer is that you live in victory on earth with your eyes earnestly focused on the life of eternity with Him. The Lord revealed this much to prophet Jeremiah when He declared in Jeremiah 29:11, "'For I know the plans I have for you,' declares the LORD, 'plans to prosper you and not to harm you, plans to give you hope and a future.'" John the Apostle reiterated the same promise when he wrote in 3 John 2, "Beloved, I wish above all things that thou mayest prosper and be in health, even as thy soul prospered." Victory connotes winning over circumstances that are in opposition to the fulfillment of your destiny, and to be victorious is to be free to live and utilize your potentials as God has ordained. From the Scriptures, we can

therefore boldly conclude that there are three levels of prosperity the Lord plans for His children: prosperity in health, material prosperity, and prosperity in the spirit. I call this total or true prosperity. Therefore, to be a prosperous Christian, you must seek for and position yourself to be a partaker of this total prosperity. And this may not be possible unless you obey certain laws that pertain to life and godly living. These laws are seven in number. This book is a compilation of all the seven laws in one volume.

Grace is a word so commonly used yet so misunderstood. Every human being was saved by this unmerited favor called grace, but not all know it. In this ground breaking book, Isis Perez-Gonzalez - who is not a pastor or religious educator, but rather a mental health professional - takes biblical references, counseling strategies and her testimony to create a book about activating grace from the point of view of a believer. In *Practical Grace: Through the Eyes of a Believer*, Isis teaches you how to connect with the real you which is spirit. She explains, "You are one with God. You need to activate the Spirit inside of you as you would a GPS. The GPS system in your car can take you where you want to go, but if you do not activate it, it will not work. You have to put the address in the system and trust that you are on the right path." With a no-nonsense approach she teaches you that you hold the key to your relationship with God. She shows you that if you are hearing and reading the Word but you are not applying it into your daily life, you are rejecting the precious gift of grace that God has given you. In this book Isis PG explains how you can: activate grace daily; invite the Holy Spirit through breath; release victimization, control and resentments; and be free of judgments She reveals practical strategies on how to become a

Aemilia Lanyer was a Londoner of Jewish-Italian descent and the mistress of Queen Elizabeth's Lord Chamberlain. But in 1611 she did something extraordinary for a middle-class woman of the seventeenth century: she published a volume of original poems. Using standard genres to address distinctly feminine concerns, Lanyer's work is varied, subtle, provocative, and witty. Her religious poem "Salve Deus Rex Judaeorum" repeatedly projects a female subject for a female reader and casts the Passion in terms of gender conflict. Lanyer also carried this concern with gender into the very structure of the poem; whereas a work of praise usually held up the superiority of its patrons, the good women in Lanyer's poem exemplify worth women in general. The essays in this volume establish the facts of Lanyer's life and use her poetry to interrogate that of her male contemporaries, Donne, Jonson, and Shakespeare. Lanyer's work sheds light on views of gender and class identities in early modern society. By using Lanyer to look at the larger issues of women writers working within a patriarchal system, the authors go beyond the explication of Lanyer's writing to address the dynamics of canonization and the construction of literary history.

So many Christians experience delayed marriages, separation, divorce, suffering, affliction, sickness, poverty, disappointments and failures in their endeavours. Do you think it is the will of God that Christians experience such problems? It is definitely not the will of God. If it is not the will of God, why then do many still have problems? Very many suffer afflictions because they unknowingly practise some wrong doctrines. One of such doctrines that make some Christians suffer is the back-to-sender prayer. The prayer seems logically reasonable but it actually opens the door for the devil into a person's life. Anyone who prays such prayer has no relationship with Jesus Christ. In this book, Pastor Chris used the scripture to expose how praying back-to-sender opens the door for the devil into a Christian's life, and how you can easily receive your heart desires.
