Speak You Also Editorial Kier
Dr. Roberto Canessa recounts his side of the famous 1972 plane crash of Uruguayan Air Force Flight 571 in the Andean Mountains and how, decades later, the harrowing journey to survive propelled him to become one of the world's leading pediatric cardiologists, seeing in his patients the same fierce will to live he witnessed in the Andes. As he tended to his wounded Old Christians teammates amidst the devastating carnage, rugby player Roberto Canessa, a second-year

medical student at the time, realized that no one on earth was luckier: he was alive—and for that, he should be eternally grateful. As the starving group struggled beyond the limits of what seemed possible, Canessa played a key role in safeguarding his fellow survivors, eventually trekking with a companion across the hostile mountain range for help. No one could have imagined that there were survivors from the accident in such extreme conditions. Canessa's extraordinary experience on the fine line between life and death became the catalyst for the rest of his life. This uplifting tale of hope and determination, solidarity and ingenuity, gives vivid insight into the world-famous story that inspired

the movie *Alive!* Canessa also draws a unique and fascinating parallel between his work as a doctor diagnosing very complex congenital cardiopathies in unborn and newborn infants and the difficult life-changing decisions he was forced to make in the Andes. With grace and humanity, Canessa prompts us to ask ourselves: what do you do when all the odds are stacked against you? [Miracle in the Andes](#) Other Press, LLC A New York Times Top Ten Book of the Year and National Book Award finalist, *Pachinko* is an "extraordinary epic" of four generations of a poor Korean immigrant family as they fight to control their destiny in 20th-century Japan (San Francisco Chronicle). NEW YORK TIMES NOTABLE

BOOK OF 2017 * A USA TODAY TOP TEN OF 2017 * JULY PICK FOR THE PBS NEWSHOUR-NEW YORK TIMES BOOK CLUB NOW READ THIS * FINALIST FOR THE 2018 DAYTON LITERARY PEACE PRIZE * WINNER OF THE MEDICI BOOK CLUB PRIZE Roxane Gay's Favorite Book of 2017, Washington Post NEW YORK TIMES BESTSELLER * #1 BOSTON GLOBE BESTSELLER * USA TODAY BESTSELLER * WALL STREET JOURNAL BESTSELLER * WASHINGTON POST BESTSELLER "There could only be a few winners, and a lot of losers. And yet we played on, because we had hope that we might be the lucky ones." In the early 1900s, teenaged Sunja, the adored daughter of a crippled fisherman, falls for a wealthy stranger at the seashore near her home in Korea. He promises her the world, but when she discovers she is pregnant--and that her lover is married--she refuses to be bought. Instead, she accepts an offer of marriage from a gentle, sickly minister passing through on his way to Japan. But her decision to abandon her home, and to reject her son's powerful father, sets off a dramatic saga that will echo down through the generations. Richly told and

profoundly moving, Pachinko is a story of love, sacrifice, ambition, and loyalty. From bustling street markets to the halls of Japan's finest universities to the pachinko parlors of the criminal underworld, Lee's complex and passionate characters--strong, stubborn women, devoted sisters and sons, fathers shaken by moral crisis--survive and thrive against the indifferent arc of history. *Includes reading group guide*

A Rose Behind the Thorns Simon and Schuster

This paperback version of Pastor John Hagee's newest book has ripped-from-the-headlines updates. New material has been added regarding the death of the dollar, a nuclear Iran, and the rejection of Israel. Further, this New York Times best-selling author says the United States is heading into a "Perfect Storm." Titanic. John F. Kennedy's assassination. 9/11. John Hagee maintains that these American tragedies all have one element in common: they were unthinkable. And in the opening pages of his newest book, *Can America Survive?* Hagee uses these tragedies to prove two points: that the unthinkable can happen and, given the right conditions,

the unthinkable can quickly become the inevitable. In *Can America Survive?* Hagee asserts that the seeds for tragedy are once again being sown, evidenced by the disturbing economic, geopolitical, and religious trends that now threaten to dismantle the very nation itself. "Think it can't happen?" Hagee asks in a theme repeated throughout the book. "Think again." Indeed, Hagee presents alarming examples of recent events, current research, scientific evidence, and biblical prophecy that are gathering to create a "perfect storm" that could bring down the "unsinkable" United States of America including: The U.S.'s negligent handling of Israel, and history's evidence of the danger to any nation that challenges Israel's God-mandated right to exist The dangerous belittling of Iran's nuclear threat by careless spy agencies—and the super-weapon that could stop the U.S. in its tracks instantly The chilling biblical prophecy that confirms Iran as one of six countries that will form an Islamic military force "as a cloud to cover the land" The real \$2.5 trillion price tag of healthcare reform, the international currency shifts, and the national economic trends that are

poised to bring about the death of the American dollar. The criminalization of Christianity around the world; Can America Survive? is not just a warning. It is a wake-up call and a rallying cry to Christian citizens everywhere to prevent the next unthinkable American disaster. After all, as Hagee points out, "those who do not remember the mistakes of the past are doomed to repeat them in the future." Think it can't happen? Think again.

A Long Walk to Water Author House

"Tenía que sobrevivir es un iluminador relato de esperanza y determinación, solidaridad e ingenio, que aporta una nueva perspectiva a una historia mundialmente conocida. El 13 de octubre de 1972, un avión de la Fuerza Aérea Uruguaya que llevaba al equipo de rugby Old Christians--y muchos de sus amigos y familiares--se estrelló en medio de la cordillera de los Andes. Este libro es el relato cautivador y desgarrador de esa large experiencia con la muerte que impulsó a uno de sus sobrevivientes, Roberto Canessa, a convertirse en uno de los cardiólogos infantiles más reconocidos del mundo. Cuando atendía a sus compañeros heridos en medio de la

devastación que produjo el accidente, Roberto, que en aquel entonces tenía diecinueve años y era un estudiante de segundo año de medicina, se sintió la persona más afortunada del planeta: estaba vivo, y por eso mismo, debía estar eternamente agradecido. Mientras el grupo luchaba por sobrevivir más allá del límite de lo imaginable, Canessa jugó un rol fundamental para salvar a los demás, atravesando la cordillera de los Andes junto con Fernando Parrado, exánimes y sin ningún tipo de equipo, en busca de ayuda. Esta delgada línea entre la vida y la muerte se transformó en un catalizador para el resto de su vida. Canessa traza un paralelismo único y fascinante entre el tratamiento de cardiopatías congénitas muy complejas a niños recién nacidos y en gestación, y las decisiones difíciles de vida o muerte que fue forzado a tomar en los Andes." --

Houghton Mifflin Harcourt

Harvey Kurtzman's *Jungle Book* is considered one of the "Top 100 Comics of the 20th Century" by *The Comics Journal* and is widely regarded to be a lost classic. Written and illustrated by Kurtzman,

Jungle Book inspired and influenced comics creators such as Robert Crumb, Art Spiegelman, Gilbert Shelton, and Terry Gilliam. Back in print for the first time in over twenty-five years, this deluxe hardcover features an essay by comics archivist Denis Kitchen; a new introduction by Gilbert Shelton; a conversational afterword between Pete Poplaski and Robert Crumb; and a selection of Kurtzman's photographs, correspondence, and artwork. The definitive edition of this graphic novel masterpiece is not to be missed!

Las raíces del mal (Detective William Monk 10) Knopf Books for Young Readers

Living in a "perfect" world without social ills, a boy approaches the time when he will receive a life assignment from the Elders, but his selection leads him to a mysterious man known as the Giver, who reveals the dark secrets behind the utopian facade.

The Giver Simon and Schuster

It was 13 October 1972. Uruguayan Air Force Flight 571, carrying a team of young rugby players, their families and friends, took off for the very last time. A deadly miscalculation saw F571 crash directly into

the Andean mountains to devastating consequences: the body of the plane broke violently into two, its floor torn to smithereens; seats flew out of the air taking passengers with them. In the weeks that followed, the remaining people who were on board - the snow society - emerged to fight a dire, gruelling battle for survival. Waiting for a rescue team that didn't arrive, the survivors became fewer and fewer in numbers. Stranded alone on a glacier, they had to face brutal temperatures, lethal avalanches and the loss of friends and family with no access to supplies, food or water. In order to survive, they had to do the unthinkable . . . It wasn't until seventy-two days later that they were able to reach safety. Alarmingly gritty, moving and powerfully told, journalist Pablo Vierci recounts the unsettling stories of the sixteen survivors in intimate detail. Drawing on exclusive interviews, *The Snow Society* delves into the tragedy of the crash and how it radically redefined the rest of the survivors' lives. Ultimately, however, the book is a touching testament to the strength of faith, friendship, and the resilience of the human spirit.

Harvey Kurtzman's Jungle Book Simon and Schuster

On Christmas Eve 1971, the packed LANSA flight 508 from Lima to Pucallpa was struck by lightning and went down in dense jungle hundreds of miles from civilization. Of its 93 passengers, only one survived. Juliane Koepcke, the seventeen-year-old child of famous German zoologists. She'd been thrown from the plane two miles above the forest canopy, but had sustained only a broken collarbone and a cut on her leg. With incredible courage, instinct and ingenuity, she survived three weeks in the "green hell" of the Amazon - using the skills she'd learned in assisting her parents on their research trips into the jungle - before coming across a loggers hut, and, with it, safety. Now she tells her fascinating story for the first time, and in doing so tells us about her 'Gerald Durrell' childhood - with a menagerie of wild, exotic and sometimes dangerous pets - about how she learned to survive at her parents ecological station deep in the rainforest and about her present-day commitment to this wildlife as a biologist and dedicated environmentalist.

Wonder Houghton Mifflin Harcourt
NEW YORK TIMES BESTSELLER • A harrowing, moving memoir of the 1972 plane crash that left its survivors stranded on a glacier in the Andes—and one man's quest to lead them all home—now in a special edition for 2022, commemorating the fiftieth anniversary of the crash, featuring a new introduction by the author “In straightforward, staggeringly honest prose, Nando Parrado tells us what it took—and what it actually felt like—to survive high in the Andes for seventy-two days after having been given up for dead.”—Jon Krakauer, author of *Into the Wild* “In the first hours there was nothing, no fear or sadness, just a black and perfect silence.” Nando Parrado was unconscious for three days before he woke to discover that the plane carrying his rugby team to Chile had crashed deep in the Andes, killing many of his teammates, his mother, and his sister. Stranded with the few remaining survivors on a lifeless glacier and thinking constantly of his father's grief, Parrado resolved that he could not simply wait to die. So Parrado, an ordinary young man with no particular disposition for leadership or heroism, led

an expedition up the treacherous slopes of a snowcapped mountain and across forty-five miles of frozen wilderness in an attempt to save his friends' lives as well as his own. Decades after the disaster, Parrado tells his story with remarkable candor and depth of feeling. Miracle in the Andes, a first-person account of the crash and its aftermath, is more than a riveting tale of true-life adventure; it is a revealing look at life at the edge of death and a meditation on the limitless redemptive power of love.

Princesa del pasado Lulu.com

In 2012 the next polar reversal will take place on earth. This means that the North Pole will be changed into the South Pole. Scientifically this can only be explained by the fact that the earth will start rotating in the opposite direction, together with a huge disaster of unknown proportions. Billions of casualties will occur worldwide; only a few human beings will have a chance to survive. These are the horrible facts. But how do you survive this Armageddon, this ultimate End of Times scenario.

The Call of the Wild Houghton Mifflin Harcourt

Una brillante novela de intriga escrita por la reina del crimen. Un nuevo caso del inspector Monk sirve a Anne Perry para ofrecernos un fresco de la Inglaterra victoriana. William Monk no suele aceptar casos de derecho matrimonial. Sin embargo, de vuelta de su luna de miel con su esposa Hester, no puede evitar involucrarse en la resolución de uno de ellos, cuando Miriam Gardiner es acusada

del asesinato de su prometido, un rico heredero, y desaparece dejando atrás un carruaje vacío y el cadáver del conductor del mismo. Miriam reaparece, pero se niega a relatar lo ocurrido pese a ser considerada la principal sospechosa del crimen. Anne Perry, la reina del crimen, es reconocida por sus novelas ambientadas en la época de la Inglaterra victoriana. *Think And Grow Rich* Simon and Schuster "Remarkable, not-to-be-missed-under-any-circumstances."—Entertainment Weekly (Grade A) *The Passage* meets *Ender's Game* in an epic new series from award-winning author Rick Yancey. After the 1st wave, only darkness remains. After the 2nd, only the lucky escape. And after the 3rd, only the unlucky survive. After the 4th wave, only one rule applies: trust no one. Now, it's the dawn of the 5th wave, and on a lonely stretch of highway, Cassie runs from Them. The beings who only look human, who roam the countryside killing anyone they see. Who have scattered Earth's last survivors. To stay alone is to stay alive, Cassie believes, until she meets Evan Walker. Beguiling and mysterious, Evan Walker may be Cassie's only hope for rescuing her brother--or even saving

herself. But Cassie must choose: between trust and despair, between defiance and surrender, between life and death. To give up or to get up. "Wildly entertaining . . . I couldn't turn the pages fast enough."—Justin Cronin, The New York Times Book Review "A modern sci-fi masterpiece . . . should do for aliens what Twilight did for vampires."—USAToday.com
Every Day a Friday Dark Horse Comics
 PURA BELPRÉ HONOR BOOK ALA NOTABLE BOOK "An important, must-have addition to the growing body of literature with immigrant themes." —School Library Journal (starred review) Twelve-year-old Jaime makes the treacherous and life-changing journey from his home in Guatemala to live with his older brother in the United States in this "powerful and timely" (Booklist, starred review) middle grade novel. Jaime is sitting on his bed drawing when he hears a scream. Instantly, he knows: Miguel, his cousin and best friend, is dead. Everyone in Jaime's small town in Guatemala knows someone who has been killed by the Alphas, a powerful gang that's known for violence and drug trafficking. Anyone who refuses

to work for them is hurt or killed—like Miguel. With Miguel gone, Jaime fears that he is next. There's only one choice: accompanied by his cousin Ángela, Jaime must flee his home to live with his older brother in New Mexico. Inspired by true events, *The Only Road* is an individual story of a boy who feels that leaving his home and risking everything is his only chance for a better life. The story is "told with heartbreaking honesty," Booklist raved, and "will bring readers face to face with the harsh realities immigrants go through in the hope of finding a better, safer life, and it will likely cause them to reflect on what it means to be human." *The House on Mango Street* Macmillan When the Sudanese civil war reaches his village in 1985, 11-year-old Salva becomes separated from his family and must walk with other Dinka tribe members through southern Sudan, Ethiopia and Kenya in search of safe haven. Based on the life of Salva Dut, who, after emigrating to America in 1996, began a project to dig water wells in Sudan. By a Newbery Medal-winning author.
