Mali Under the  
Night Sky, a  
2011 Skipping  
Stones honor  
book, is the  
true story of  
Laotian

American  
artist  
Malichansouk  
Kouanchao,  
whose family  
was forced by  
civil war to  
flee Laos

when she was five. Before the war began, Mali lived an idyllic life in a community where she felt safe and was much loved. But the coming war caused her family to flee to another country and a life that was less than ideal. What did she carry with her? She carried her memories. And they in turn carried her across the world, sharing where she is from and all that she loves with the people she

meets. Terry Hong of the Smithsonian Asian Pacific American Program's BOOK DRAGON, giving context to Youme's remarkable book, said, "Today, December 7, marks the 69th anniversary of the attack on Pearl Harbor, 'a date which will live in infamy,' ... Seven decades later, infamy lives on, stealing childhoods, families, homes, lives. Now as another year comes to a

close, we pray for peace ... again and again ... again and again ... [Mali Under the Night Sky] is another hopeful, urgent prayer." And the Midwest Book Review calls it "a soul-stirring picturebook about the difficulties faced by wartime refugees, and deserves the highest recommendati on." Youme Landowne is an energetic and joyful painter, book artist, and activist who thrives in the

context of public art. Youme has lived in and learned from the United States, Kenya, Japan, Laos, Haiti, and Cuba. In all of these places, she has worked with communities and individuals to make art that honors personal and cultural wisdom, creating community murals, illustrating tiny books, and teaching poetry in schools.

Watson-Guptill Mindful Artist: Sumi-e Painting teaches you to create your own beautiful, Japanese-inspired ink wash paintings while cultivating a mindful approach to making art. Centuries ago, Buddhist monks used black ink and brushes to practice mindfulness and create gorgeously harmonious works of art called "sumi-e paintings."

The popularity of sumi-e, or ink wash painting, continues to this day. Mindfulness remains an essential element of sumi-e painting, allowing artists to focus on their surroundings, live in the moment, and feel present—thereby reducing their stress. Walter Foster's new Mindful Artist series encourages you to enjoy working in your favorite media to create art

from a reflective point of view—an inspiring, relaxing experience that emphasizes the creative process, rather than the end result. These books are designed to help you move past creative obstacles, like a perfectionist attitude toward making art or self-defeating concerns about your personal talent and abilities. These guides will not only help you stay

mindful throughout the process, but also to find personal meaning in the artwork you create. Mindful Artist: Sumi-e Painting opens with an introduction explaining the links between mindfulness and sumi-e and how they enhance one another. Sections on “The Four Treasures,” as the tools needed for sumi-e painting are called; brushstrokes and painting techniques; and “The Four

Gentlemen,” or the most common subjects in sumi-e painting, ensure that you have a solid background before getting started on the simple, approachable step-by-step painting projects. Throughout the book you can find stunning full-page artwork, tips for remaining mindful while you work, creative prompts and exercises, inspirational ideas, and suggestions

on how to add color to black ink pieces. Learn to practice mindfulness while you master the popular art of ink wash painting with this inspiring and supportive guide. *Mindful Artist: Sumi-e Painting* Cinco Puntos Press Written for architects, interior designers, and color consultants, this ambitious study explores the psychological and physiological effects of color

in the man-made environment. Scientific findings and industry-by-industry examples are furnished to help professionals specify colors that will create healthful environments in hospitals, schools, restaurants, and other public facilities. **Asian Health Secrets** Open Road Media The Rough Guide to Sri Lanka is the definitive travel guide with clear maps and

Home Project Tuttle Publishing In this Japanese ink painting book renowned Japanese master Shozo Sato offers his own personal teaching on the beautiful art of sumi-e painting. Sumi-e: The Art of Japanese Ink Painting provides step-by-step, photo-by-photo instructions to guide learners in the correct form, motions and techniques of Japanese sumi-e painting.

Featuring gorgeous images and practical advice, it includes guided instructions for 35 different paintings. From waterfalls to bamboo, learners paint their way to understanding sumi-e—a style of painting that is characteristically Asian and has been practiced for well over 1,000 years. Although it's sometimes confused with calligraphy, as the tools used

are the same, sumi-e instead tries to capture the essence of an object or scene in the fewest possible strokes. This all-in-one resource also provides a timeline of brush painting history, a glossary of terms, a guide to sources and an index—making it a tool to use and treasure, for amateurs and professionals alike. This sumi-e introduction is ideal for anyone with a love of

Japanese art or the desire to learn to paint in a classic Asian style.

We all want beautiful homes that reflect our personal style. But the happiest homes don't just look good- they also feel good. Ideally, they support the way we live, keep us healthy and safe and enrich our net worth, too. So how do we create homes that truly make us happy? In *The Happy Home Project*, author Jean N ayar looks not only at the material things that contribute to the beauty and style of a house, but also explores the hidden elements and intangibles that add to its substance and soul. Brimming with beautiful photos and filled with expert advice from architects, designers, organizing experts, and contractors, the book offers easy-to-follow guidance on how to create inspiring, stylish rooms as well as practical tips on how to invest wisely in furniture and improvements that will add

value to your home-and your quality of life. Focusing on comfort and harmony with nature, the book taps into the wisdom of poets, philosophers and social scientists-as well as experts of the ancient Asian building philosophies of feng shui, vastu shastra, and wabi-sabi-to reveal some of the subtler steps that anyone can take to turn to an ordinary, impersonal house into an uplifting,

personal sanctuary. With helpful hints on everything from corralling clutter, picking paint and arranging furniture to refinishing floors, replacing windows and remodeling a kitchen, The Happy Home Project is a great go-to guide for home improvement projects, large and small. Whether your home needs a major makeover or just a little fine-tuning, the ideas, solutions and

tips in this book will help you increase its happiness quotient-and let you live well in any dwelling and at any stage of life. Old-House Journal Golden Books With this new edition, The Insider's Guide to the Colleges has been, for 41 years, the most relied-upon resource for high school students looking for honest reports on colleges straight from the college students themselves. Having

interviewed hundreds of their peers on more than 330 campuses and by getting the inside scoop on everything from the nightlife and professors to the newest dorms and wildest student organizations, the reporters at the Yale Daily News have created the most candid college guide ever. In addition to the in-depth profiles, this edition has been updated to include: \* Essential statistics for every school,

from acceptance rates to popular majors \* A "College Finder" to help students zero in on the perfect school \* All-new FYI sections with student opinions and outrageous advice The Insider's Guide to the Colleges cuts through the glossy Web sites and brochures to uncover the things that matter most to students, and by staying on top of trends, it gives both students and

their parents the straightforward information they need to choose the school that's right for them. A Beginner's  
Guide to  
Chinese Brush  
Painting  
teaches this  
ancient art  
form in an

easy-to-understand way--no prior experience necessary! As one of the oldest continuous artistic traditions in the world, Chinese brush painting has been used for thousands of years to create images that harness the imagination, and capture the inner spirit of a subject--be it an animal, landscape or tree. All you need for this simple, but beautiful, art form is black watercolor

paint, white paper, a brush and some creativity! An introduction tells you about the history of brush painting, and also gives tips for holding your brush, achieving different shades and collecting your materials. After that, the book takes you step-by-step through more than 35 hands-on activities--including basic strokes, putting them together to create an object or scene, the importance of

leaving open space and even writing some Chinese calligraphy. With the help of this book, artists of all ages can learn to paint: Bamboo stalks, branches and leaf clusters A knotted pine tree and its delicate needles A snail with a spiral shell and little body peeking out from underneath A waterfall gliding down the side of a mountain And much more! You'll find that this activity will help you

learn to center your mind and thoughts, and your masterpieces will be inspiring decorations or great gifts for friends and family. Get started learning this "soft martial art!"

Fodor's Travel Numerous plates combined with detailed instructions and technical exercises illustrate acrylic painting methods and materials. *Mali Under the Night Sky* Harmony Bridging the fields of conservation, art history, and museum curating, this volume contains the principal papers from an international symposium titled

"Historical

Painting Techniques, Materials, and Studio Practice" at the University of Leiden in Amsterdam, Netherlands, from June 26 to 29, 1995. The symposium—designed for art historians, conservators, conservation scientists, and museum curators worldwide—was organized by the Department of Art History at the University of Leiden and the Art History Department of the Central Research Laboratory for

Objects of Art and Science in Amsterdam. Twenty-five contributors representing museums and conservation institutions throughout the world provide recent research on historical painting techniques, including wall painting and polychrome sculpture. Topics cover the latest art

historical research and scientific analyses of original techniques and materials, as well as historical sources, such as medieval treatises and descriptions of painting techniques in historical literature. Chapters include the painting methods of Rembrandt and Vermeer,

Dutch 17th-century landscape painting, wall paintings in English churches, Chinese paintings on paper and canvas, and Tibetan thangkas. Color plates and black-and-white photographs illustrate works from the Middle Ages to the 20th century.
