House India Pvt Ltd  
Eddie is a wounded war veteran, an old man who has lived, in his mind, an uninspired life. His job is fixing rides at a seaside

amusement park. On his 83rd birthday, a tragic accident kills him, as he tries to save a little girl from a falling cart. He awakes in the afterlife, where he learns that heaven is not a destination. It's a place where your life is explained to you by five people, some of whom you knew, others who may have been strangers. One by one, from childhood to soldier to old age, Eddie's five people revisit their connections to him on earth, illuminating the mysteries of his "meaningless" life, and revealing the haunting secret behind the eternal question: "Why was I here?"

### **Of Mice and Men**

New Saraswati House India Pvt Ltd  
'Intense, gorgeous, troubling, seductive - a novel that has to be surrendered to rather than read' Sarah Waters AN INTERNATIONAL

BESTSELLER WINNER OF AN ENGLISH PEN TRANSLATES AWARD  
All Men Want to Know traces Nina Bouraoui's blissful childhood in Algeria, a wild, sun-soaked paradise, with hazy summer afternoons spent swimming, diving, and driving across the desert. Her mother is French, her father Algerian; when racial tensions begin to surface in their neighbourhood, her mother suffers an unspeakable act of violence that forces the family to flee the country. In Paris, eighteen-year-old Nina lives alone. It's the 1980s. Four nights a week she makes her way to The Kat, a legendary gay nightclub, where she watches women from the sidelines, afraid of

her own desires, her sudden and intoxicating freedom. In her solitude, she starts to write - and finds herself writing about her mother. All Men Want to Know is a haunting, lyrical international bestseller about mothers and daughters, about shame and sexuality, about existing between two cultures and belonging to neither. A phenomenon in France, this is a defining portrait of womanhood from one of Europe's greatest living writers. 'Blown away by the power and lyricism of All Men Want to Know. What a book. Read it' Niven Govinden, author of THIS BRUTAL HOUSE 'Magnificent... a captivating autobiographical novel' Elle 'A tour de force' Le Figaro 'Haunting, spell-

binding, luminous' Lire Me n Mine-English New Saraswati House India Pvt Ltd

Logic of English, Inc 'MEIN KAMPF' is the autobiography of Adolf Hitler gives detailed insight into the mission and vision of Adolf Hitler that shook the world. This book is the merger of two volumes. The first volume of MEIN KAMPF' was written while the author was imprisoned in a Bavarian fortress. The book deals with events which brought the author into this blight. It was the hour of Germany's deepest humiliation, when Napoleon has dismembered the old German Empire and French soldiers occupied almost the whole of Germany. The books narrates how Hitler was arrested with several of his comrades and imprisoned in the fortress of Landsberg

on the river Lech. During this period only the author wrote the first volume of MEIN KAMPF. The Second volume of MEIN KAMPF was written after release of Hitler from prison and it was published after the French had left the Ruhr, the tramp of the invading armies still echoed in German ears and the terrible ravages had plunged the country into a state of social and economic Chaos. The beauty of the book is, MEIN KAMPF is an historical document which bears the imprint of its own time. Moreover, Hitler has declared that his acts and 'public statements' constitute a partial revision of his book and are to be taken as such. Also, the author has translated Hitler's

ideal, the Volkischer Staat, as the People's State. The author has tried his best making German Vocabulary easy to understand.

You will never be satisfied until go through the whole book. A must read book, which is one of the most widely circulated and read books worldwide.

A captivating blend of personal biography and public drama, *The Wise Men* introduces the original best and brightest, leaders whose outsized personalities and actions brought order to postwar chaos: Averell Harriman, the freewheeling diplomat and Roosevelt's special envoy to Churchill and Stalin; Dean Acheson, the secretary of state who was more responsible for the Truman Doctrine than Truman and for the Marshall Plan than General Marshall;

George Kennan, self-cast outsider and intellectual darling of the Washington elite; Robert Lovett, assistant secretary of war, undersecretary of state, and secretary of defense throughout the formative years of the Cold War; John McCloy, one of the nation's

most influential private citizens; and Charles Bohlen, adroit diplomat and ambassador to the Soviet Union.
